walk, to fly a kite, to lie in the sun's warmth, to watch the gulls wheel and soar above. It's a place to find peace and beauty welded together. It's a precious place; like many precious and beautiful things - it's fragile. Dunes are laced together with tender roots of grass. These delicate threads tie the sand together but each slender root has so precarious a hold.

"HIGHWAY" THROUGH THE DUNES IS 3 FEET DEEP OF PULVERIZED LOOSE SAND, A SCAR THAT GROWS WITH EACH PASSING WHEEL.

Even footprints tear the fabric of the dunes as the barren paths show clearly. Footprints, however, do not tear deep into the sand pulverizing and totally destroying its vegetation. People strolling on foot do not carry cases of beer bottles to leave as permanent reminders of their passing. For this, man invented the wheel. Machines have given us the means to reach places of beauty and peace. Machines have also given

us the means to destroy it all. If you can't walk the dunes barefoot where can you know freedom? You can't with broken glass underfoot. If you can't walk the dunes without the tracks of off the road vehicles lacing the way you will soon have not dunes but desert underfoot. Every track tears out the tender grasses by the roots.

Why can't we have places of sanctuary? We live in a world of stress and great haste to make more dollars that are worth less and less. We live in a society where people jog for exercise during the week and then climb in dune buggies on the weekend to destroy an ecology that has endured since only Indians roamed the land. Selectmen's Meeting

SCALLOP DISCUSSION

Shellfish Inspector Joseph Almada and John McCue met with the Board of Selectmen to discuss the coming scallop season. Both Almada and McCue told the Board that scallops appear to be numerous for the first time in several years and suggested that the State limit be taken. Selectmen will prepare the regulations along the same lines as used in previous years to allow no holiday or Sunday commercial fishing and no commercial scalloper will be allowed to use a family permit. Commercial licenses will be limited to 2 per boat. The complete list of regulations will be available from the Selectmen's office at Mattapoisett Town Hall.

REPORT ON BARLOW CEMETERY

Mrs. Priscilla Hathaway reported to Selectmen on research that she undertook, at their request, on the Barlow Cemetery. Mrs. Hathaway's report, complete with photos of the individual stones, showed much deterioration due to weathering, acid rain and unknown factors. Out of a total of 173 stones only 46 remain upright. Mrs. Hathaway said that some fallen stones have been preserved because they fell face down and the contact with the earth has protected them from weathering. In the course of investigation Mrs. Hathaway was greatly helped by a report prepared 70 years ago by Mrs. James Hammond who made notations of the location of stones complete with sketches and copies of verses and inscriptions. Her description

of the condition of the markers at that time proved invaluable in comparing the wear of 70 years. Mrs. Hathaway said that some preserving methods are still experimental and that at present the best course of action is to do nothing until a proven technique can be undertaken. She said that epoxy treatment shows the most promise at present. Mrs. Hathaway recommended that the historic stones be copied as soon as possible to preserve the inscriptions and design. She explained to the Board of Selectmen the progression of design that marks the different periods from the very primitive angel to the more sophisticated carving which developed later, then the sunburst design and the later styles of urn, etc.

The Selectmen thanked Mrs. Hathaway for her excellent presentation and very interesting investigation results and expressed great interest in preserving the remaining stones of this cemetery which dates back to the earliest days of the community. The Board of Selectmen will prepare an article for the next town meeting to seek town approval of the preservation effort.

ROCHESTER PARKING

A decision was made to allow Rochester residents to park at Mattapoisett Wharf for half of the $3. fee for non-residents. The $1.50 fee will be charged to cars bearing the Rochester privilege sticker. This special permission is subject to revision at any future time if changing conditions at the wharf warrant reconsideration.

EMT TRAINING

Selectmen were notified that the State subsidy of Emergency Medical Training is being terminated and that the cost of such training will be $150. The Board voted that this training should be a condition of employment by applicants training for the permanent police force.

SUPPORT STATE TAX LIMIT

The Selectmen received a letter from the Legislative Research Council concerning the King amendment which provides:

1. There will be a State Tax Revenue limit and the State Tax Revenue shall not exceed this limit. If the State Tax Revenue exceeds the limit, the excess shall cause a personal income tax reduction for the following calendar year. This limit shall be established in April, if no limit has been published prior to July 1st, the State Tax limit shall be the same as it was for the prior fiscal year.

2. No new programs or increase in services under an existing program shall be mandated by the general court to the cities and towns unless the general court at the same session has provided for the assumption by the state of any costs of such program, service, or loss of local tax.

The Board of Selectmen voted to favor this amendment.

TAX RATE $68 PER THOUSAND

Mattapoisett Assessors have announced that the tax rate for the coming year will be $68. per thousand. This represents a $2.00 decrease in the rate even though spending at town meeting was higher than the Finance Committee recommended. The decrease was made possible because the Assessors opposed in court the equalized value as set by the State and were successful in the decision which lowered the valuation by $4,000,000.00.

Because State aid, based on this equalized value, increases as the equalized value was lowered, the difference is reflected in the $2.00 drop.

In this issue of Presto Press we have inserted the ad listing the trips for Seniors from October 3 through November 3. Please clip it out and save for future reference. All reservations must be made by calling at or phoning the Selectmen's office (758-3758) on Monday or Thursday between the hours of 10:00 A.M. and 12:00 Noon. On the big bus trip to the Grist Mill (Tuesday, October 24) your money for your choice of luncheon must be in by Thursday, October 19th, or you do not have a reservation. This is the only way that we can be sure that we do not deprive some other Senior of a seat by your failure to notify us of a change in your plans and that you are not going. Of course in the case of a last minute emergency, please let us know as soon as possible and we will try to notify someone on the waiting list.

Until the parking lot on Railroad Avenue is cleared, we will continue to have the bus stop at both Depot Street and St. Anthony's.

Mattapoisett Seniors

The next meeting of the Mattapoisett Seniors' Club will be Thursday, September 28th, at 1:00 P.M. in St. Anthony's Church Hall. Following the meeting those wishing to will travel to New Bedford for a conducted tour of the downtown historic area. It is hoped that members with cars will volunteer to transport non-driving members. It is recommended that automobiles be parked at the Elm Street garage as this is near the end of the walking tour. Further details will be announced at the meeting.

MATTAPOISETT P.T.C.

As the new school year begins, so do our P.T.C. activities. This week your children will be bringing home a volunteer preference form and we hope that you will read it carefully and return it as soon as possible to the schools. A few of our planned fund-raisers for the coming year include: Campbell Soup Label campaign, the annual Book Fair, another Las Vegas Nite and an Old Country Fair. For these events to be successful we will need the support of all parents.

Last year was a most successful one. As a result of the support and cooperation of many parents we were able to: supply new equipment to both schools as a result of the Campbell Soup campaign; provide funds for films and a cultural enrichment program which included introductory presentations on opera, mime and dance; finance outings to the Children's Museum in Dartmouth; and finally, donate $400. to each school for special projects and/or equipment as they are needed.

In closing, we would like to make note of and publicly express our gratitude to a number of people. Over the past few years Kathy Riley, Howard Tinkham, Alberta MacLean and Marilyn Lee have given generously of their time and energy and the success of the P.T.C. during these years reflect their efforts. Special note must be made of the wonderful job Janice Hilley and Barbara Barratt did on creating and supervising our book stores in both schools. To all of these people, we thank you!

Timmy-Ann Russell, President P.T.C.

Clark Davis Gallery at the Marion Art Center this month. This stunning exhibition is the result of the combined work of Richard and Barbara Sparre, two well-known artists from Cape Cod.

Richard's paintings remind one immediately of Andrew Wyeth and "the New Realism". The subjects of his acrylics range from Nauset Lighthouse to a basket of strawberries, each realizing a precision of technique as well as imaginative design. There is a gentleness and sometimes a sense of humor in works like "Winter Coat" and "Around Back". The remoteness and simplicity of "The Outermost House" is captured in the perfection of a silk screen print priced extremely reasonably.

Barbara's paintings are more spontaneous and her technique is looser, but her major contribution to the show is in stitchery. She combines sea shells, macrame and lace in two wonderful round wall decorations as well as creating landscapes in rich velvets and satin. The integrity of the materials used reflects her knowledge and respect for fabric plus an understanding and appreciation of the designs in nature.

Since words can never truly describe a painting, one has to see this show for himself. Unfortunately, there are only a few days left to enjoy this elegant and appealing exhibition. The Sparre Exhibit closes October 1st. The gallery is open every afternoon from 1 to 5 P.M.; Friday evenings until 8:30 P.M.; and Monday, Thursday, Friday and Saturday mornings, 9 to 12 Noon. Don't miss this show. It's very high on the browsing scale and some have even begun Christmas shopping here!

For 32 graduating Little Leaguers jackets were awarded to the champion Browns. Team, as well as individual, trophies were awarded. All Junior and Senior All-Stars received patches to sew on their jackets. All in all it was an excellent close to a great season.

four years ago and joined 7 teams already comprising the Fairhaven Slow-Pitch League. In only their second year they were the first place team; in their third year they made championship team and this season walked away as both champs and first place team. After pizza and soda it was time for Bill Badgley to talk about each of the girls and make some awards. Each girl received a medal on a ribbon dated on the back as a memento. A new award was added this year; it was a "Most Reliable" trophy and it went to Paula Sawyer who played every inning of every game. Traditionally a "Best Pitcher" award is given but it was changed this year to accommodate our past and present best pitcher; it was renamed "excellence in pitching" and went to Luanne Goodwin who is retiring from the team. Our "Most Valuable player" trophy went to Mary Crowe who will probably play for a New Bedford team next year. Beth Lammi received the "highest batting average" and that being .507.

Amid laughter and talk of being back to school it was still a sad evening. This was the last season that Bill Badgley would be with the girls. Bill has already moved to New Hampshire where he is teaching. Bill will be missed by all of us and we hope he will be back to visit us.

Next year the team will be under the supervision of Stet Drake who has been assistant coach for 4 years. The girls on the team of 1978 were Gretchen Hamer, Paula Sawyer, Mary Crowe, Toni Sylvia, Lillian Poitras, Vicki Medeiros, Debbie Drake, Luanne Goodwin, Anne LaClair, Beth Lammi, Laura Kellogg, Cathy John, Lois Hottel, and Lyndsay Ketchel.

tend the Ninth Annual Bourne Bay Scallop Festival to be held October 6, 7 and 8.

The Greater Bourne Chamber of Commerce, sponsors of the event, said the dinner will consist of bay scallops, French fries, cole slaw, rolls and butter. All beverages will be extra.

The festival will be held in the National Guard Armory, Route 6 bypass, Buzzards Bay. Servings will be from 11 A.M. to 7 P.M. each day.

The Chamber of Commerce attributes the success of the event -- in addition to the appeal of the scallops -- to the wholehearted cooperation of townspeople who volunteer their services, which include cooking the dinner, and serving it and the beverages.
